01 EXTERIOR ACCESSORIES

CORRECT FITMENT. CLEAN FINISH. VEHICLE-SPECIFIC ADVICE.

01 Front lips & splitters
Vehicle-specific front styling and lower-bumper extensions.

02 Grilles, mirror covers & eyelids
Selected appearance upgrades matched to the vehicle.

03 Side skirts & side steps
Styling and practical access options for selected vehicles.

04 Rear diffusers
Full lower-bumper diffuser solutions where compatible.

05 Rear bumper spats
Small separate left-and-right corner extensions - not a full diffuser.

06 Spoilers & exhaust tips
Selected finishing details for a cleaner, sportier look.

For an accurate fitment quote, send us your vehicle make, model, year and a clear photo of the front or rear bumper.

02 VEHICLE WRAPS - OUR WORK

REAL ALLPRO PROJECTS

COLOUR CHANGES, ACCENTS & PROTECTION

From bold colour changes to carbon-look accents, roof and bonnet treatments, trim wrapping and selected paint-protection film applications, every project is planned around the vehicle and the finish you want.

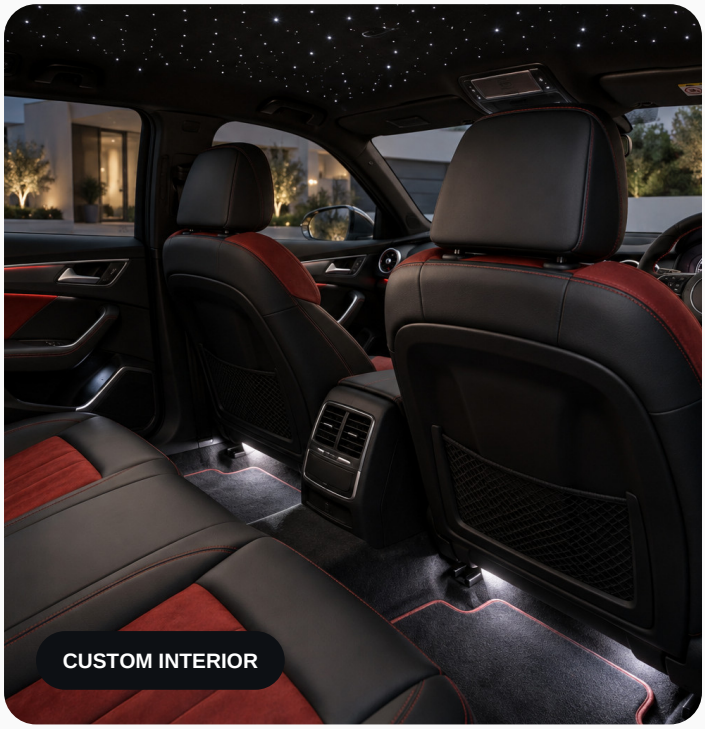

Ask for a wrap consultation - colour, coverage, finish and vehicle condition all affect the quote.

03 LIGHTING & INTERIOR

COMFORT MEETS STYLE

CUSTOM INTERIOR

STARLIGHT HEADLINER EXAMPLE

LIGHTING

- **Headlights and selected upgrades**
- Tail-light solutions
- Headlight restoration
- Starlight headliners
- Interior LED accent lighting

INTERIOR

- **Seat covers**
- Vehicle-specific floor mats
- Steering-wheel retrimming
- Interior trim and styling
- Selected comfort accessories

Product availability and fitment vary by vehicle. Send your make, model and year for advice.

04 MECHANICAL SERVICES

KEEP YOUR VEHICLE IN TOP CONDITION

Minor & major servicing

Routine care based on vehicle requirements.

Brake repairs

Inspection, repair and replacement where required.

Suspension repairs

Diagnosis of wear, noise and handling concerns.

Engine diagnostics

Scan-based fault finding and mechanical assessment.

Clutch repairs

Inspection and replacement subject to diagnosis.

Batteries & electrical

Battery, charging and selected electrical faults.

Oil changes & fluids

Correct service fluids for the application.

General maintenance

Practical repairs and preventative care.

05 KEY CUTTING

HOUSE KEYS AND CAR KEYS CUT WHILE YOU WAIT

HOUSE KEYS

Duplicate everyday house keys and selected security keys while you wait.

CAR KEYS

Cut replacement blades and program compatible remotes or transponders where required.

LOST ALL YOUR KEYS?

We can make a new house key or assess a replacement vehicle key even when the original is lost. Different styles are available, including standard, remote, flip and selected smart-key options, subject to compatibility.

For vehicle keys, please bring identification and proof of ownership.

06 AUTOMOTIVE LOCKSMITHING

KEYS TO YOUR PEACE OF MIND

Replacement & Spare Keys

New keys and compatible key styles for many vehicle makes and models.

Remote & Transponder Programming

Programming and pairing where supported by the vehicle.

Vehicle Lockouts

Professional assistance when keys are locked inside the vehicle.

Key Fob Solutions

Selected fob repairs, shells, batteries and replacement remotes.

Ignition & Lock Repairs

Assessment and repair of automotive ignition and door-lock problems.

Central Locking

Diagnosis and assistance with central-locking faults and upgrades.

07 ISEO CONNECTED SMART

SMART RANGE AVAILABLE AT ALLPRO

ISEO CONNECTED SMART RANGE AVAILABLE

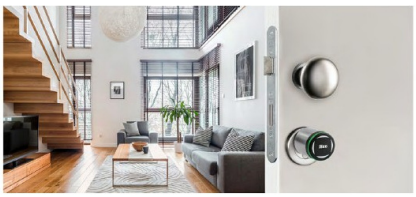

Flexible access control for homes and light-commercial spaces, managed through the ARGO App. Depending on the device and configuration, access can use smartphone, RFID, PIN, fingerprint or a mechanical override.

ARIES SMART 2.1

Electronic handle and trim set for many new or existing doors; battery operated and cable free.

LIBRA X SMART

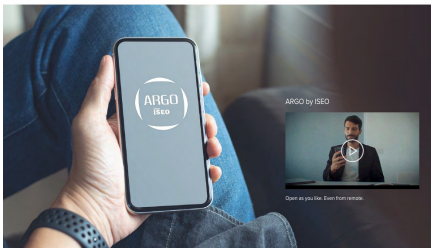

Modular electronic cylinder for retrofit or new doors, with RFID, Bluetooth and smartphone options.

X1R SMART 2.0

Motorised electronic lock for security doors with configurable app, RFID, PIN and fingerprint access.

ARGO APP & CONNECTIVITY

Manage users and events locally, with Smart Gateway and Smart Relay options for remote or powered access points.

ISEO product imagery used with permission. Configuration and availability depend on door and site assessment.

08 BBL DOOR HARDWARE

HANDLES, LOCKSETS, CYLINDERS AND SMART ACCESS

BBL product ranges are available through AllPro for residential, commercial and general security applications. We can help match the hardware to the door and arrange installation or replacement.

SMART HANDLE LOCKSETS

Selected smart access with Bluetooth, fingerprint, PIN, RFID, mechanical key and optional gateway features.

MORTICE LOCKSETS & HANDLES

Two-, three- and four-lever options, plus Euro-cylinder locksets and handle finishes.

CYLINDERS

Euro-profile, oval and rim-cylinder options, including selected keyed-alike configurations.

PADLOCKS & SECURITY

Brass and weather-resistant padlocks, plus selected gate, patio and door-security fittings.

BBL product imagery and range information: bblsa.co.za. Product selection is subject to stock and site requirements.
